Joining Susan in making presentations were **Dan Myers**, Al Sigl Community of Agencies; Patrick Cunningham, Manning & Napier, presenting sponsor of NPD since 2004; Joy Ryen Plotnik, Genesee Valley Trust; and Jennifer Leonard, Rochester Area Community Foundation.

**AFPGV's** 2012 National Philanthropy Day winners are:

✓ Outstanding Youth Volunteer Fundraiser – **Ambika Sharma**

✓ Outstanding Volunteer Fundraiser – **Daniel J. Burns**

✓ Robert A. Clinger Outstanding Fundraising Professional – **Karen M. Gaffney, CFRE**

✓ Outstanding Corporation – **M/E Engineering, PC**

## Every Member Campaign, continued

members. We have exceeded our monetary goal already, but would like to see a higher percentage of participation.

*Why* should you give you to the Every Member Campaign? The reasons are many:

- **Your gift helps AFP.** Your gift will help promote our profession, advance philanthropy, and continue educational programs and resources that help all of us to do our work. If AFP is helpful to you, please consider donating to the campaign.

- **It comes back to us.** Since we met our chapter goal, 25% of our total comes back to the chapter, which we use for discounts on meeting fees, scholarships and other chapter activities. Last year, more than \$2,000 came back to our chapter, which has been a great help in carrying out our many activities this year.

- **You will boost participation.** At newsletter presstime, 73 members had made a contribution or pledge. We have more than 200 members. More important than how much you give, we'd like to increase the number of members who donate. Even a one-time gift of \$10 or \$20 is welcome.

- **You will make board members happy.** Your board members are

## ROC the Day with AFPGV!

**A**FPGV is a community partner of **ROC the Day**, a 24-hour online event to be held on **December 12, 2012**, that gives people in our community an opportunity to support all of the not-for-profit organizations doing great work in the nine-county Greater Rochester area. To participate, go to [ROCDay.org](http://ROCDay.org), a secure online giving platform, on **December 12, 2012**, to make a gift. All money given on "12.12.12" will help local people and organizations.

heavily invested in the mission of AFP – 100% made gifts this year early this year, and they hope you will follow their lead and make a gift, too.

- **You may win a prize.** We will have some fun this year. The names of everyone who makes a gift will be entered in a raffle for prizes, which will be drawn at our annual holiday party on December 6. Prizes will include certificates and gift cards, as well as a free seat at next year's conference, monthly programs and National Philanthropy Day.

- **Overall, it helps our profession.** If you feel that you learn a lot from AFP, and that the programs and networking opportunities have helped you, please consider making a contribution as a way of giving back.

# Ryan Kelly wins 2012 AFPGV Chamberlain Scholarship

**R**yan Kelly, director of Development at the **Al Sigl Center**, is the recipient of the 2012 **AFP Foundation for Philanthropy** and **AFPGV Chamberlain Scholarship** to attend the 2013 **AFP International Conference on Fundraising** in April in San Diego, CA.

"This year, there was a record number of deserving applicants, but Ryan Kelly's impressive application stood out the most," said **Julie Murawski**, Scholarship Committee chair.

Kelly, 29, has been a development professional for five years, has never attended the conference, and

is extremely excited about having the opportunity attend and grow into a more successful fundraiser. She has a background in marketing, sociology and communications. She is responsible for all major giving for three of six agencies in the Al Sigl Community, including CP Rochester, Rochester Rehabilitation, and the Rochester Hearing and Speech Center.

When asked about what she was most excited about, Ryan said, "I'm absolutely honored to have been selected. I am looking forward to the interaction with fellow fundraisers and learning best practices that I may apply to my

own work upon my return. This is an amazing opportunity to gain a wealth of knowledge, and I could not be more thrilled!"

The AFP International Conference on Fundraising draws fundraising professionals from all over the world to learn new fundraising skills and listen to some of the most successful members of the philanthropic community. In 2013, AFP will celebrate its 50th anniversary and will focus on important aspects of becoming a successful fundraising professional.

## Shout out

- In September, **Natalie Anderson** joined St. Joseph's Villa as vice president of Agency Advancement. Her team will focus on development, marketing, communications and volunteer services. Natalie most recently served as executive director of Daystar for Medically Fragile Children, Inc. and has spent nearly 18 years serving in various roles in the local nonprofit community.

- **Kim Clark** was recognized at the 40 Under 40 luncheon in November.

She reports that, "as a member of an AFPGV task team, I've just finished a two-year brand, marketing and communications plan, which is essentially a road map for the chapter to accomplish certain goals for the ultimate benefit of the membership and other fundraising professionals. Although I'm wrapping up a marketing term this year, I'm looking forward to being there for the Communications Committee as they lead the execution of the plan.

"On the side, I keep very busy with the charitable endeavors of Pen-Web Rotary and our CEO leadership transition at Heritage Christian Services."

- **Melanie Barnas-Simmons**, Major Gifts officer for the Finger Lakes Region of the American Red Cross,

solidified more than \$50,000 in new major corporate gifts after Hurricane Sandy hit the East Coast. Notable com-

panies to make significant gifts included Paychex, ESL Federal Credit Union and EJ Del Monte Corporation.
